

Gan HaLev Board of Directors

The role of the Board is to provide direction, planning and oversight for the Congregation. We generally meet once a month at times that meet the needs of the Board members. Currently we have five Board members, and one additional person who plans to join the Board soon. We would like to see a few more members of Gan HaLev join the group. If this is an area of involvement that you might consider, we invite you to come to one or more of the upcoming meetings and check it out.

Penina Maier Jewish School -- Gan HaLev's Sunday School

The children who come to our Sunday School not only learn a lot about being Jewish, they also have a great time. We have wonderful teachers who are committed to providing our kids with an exciting and enjoyable program of Jewish learning and we are also very pleased to report that all of our teachers will be returning to our Sunday School this year and have been making plans for next year's school program.

Call 488-4524 to request a Sunday School enrollment packet or call Laurie Chorna, School Administrator at 488-1428 for additional information or with any questions you may have.

Come to a Family Shabbat at Suzanne Sadowsky's home on August 22 to meet other families with children. (See p.5).

Come to Sunday School Open House at 10am on September 7 at the San Geronimo Valley Community Center.

Education Committee

The Education Committee currently has no members and has not been active in some time. We are looking for a few parents who are interested in youth-centered activities and the Sunday School. Please call Heather Richardson, Gan HaLev's Parent Coordinator if this is an area of importance to you and where you might be able to lend a hand.
